Dear Mr. Chairman:

This responds to your letter of 21 September 1982 which requests additional information regarding our recent FY 1982 reprogramming proposal.

It is my understanding that the additional clarifying information requested in your letter on certain of the projects has been provided to your staff. I have examined very carefully the question of whether the funds proposed for reprogramming could be effectively obligated and can assure you that implementing actions can be accomplished in the time remaining before the close of the fiscal year.

I hope this is responsive to your concerns and wish to take this opportunity to express my personal appreciation for the prompt action on this matter by you and your staff.

Sincerely,

STAT

Executive Director
